Remedies

If, during the applicable Warranty Period, buyer discovers any defect in workmanship and materials or suspects that the SolarEdge Home Battery fails to comply with the Energy Capacity Warranty and buyer therefore seeks to activate the Limited Warranty, then buyer shall, promptly after such discovery, report the defect to SolarEdge by sending an email to support@solaredge.com with the following information: (i) a short description of the defect, (ii) the SolarEdge Home Battery's serial number, and (iii) a scanned copy of the purchase receipt or warranty certificate of the SolarEdge Home Battery. Upon buyer's notification, SolarEdge shall determine whether the reported defect is eligible for coverage under the Limited Warranty. The SolarEdge Home Battery's serial number must be legible and properly attached to the SolarEdge Home Battery in order to be eligible for Warranty coverage. If SolarEdge determines that the reported defect is not eligible for coverage under the Limited Warranty, SolarEdge will notify buyer accordingly and will explain the reason why such coverage is not available.

If SolarEdge determines that the reported defect is eligible for coverage under the Limited Warranty, SolarEdge will notify buyer accordingly, and SolarEdge may, in its sole discretion, take any of the following actions: repair the Product at SolarEdge's facilities or on-site; or issue a credit note in an amount up to the actual value of the lost SolarEdge Home Battery's capacity at the time buyer notifies SolarEdge of the defect, as determined by SolarEdge, for use toward the purchase of SolarEdge products; or replace the SolarEdge Home Battery with an equivalent product at the time of the warranty claim. SolarEdge will determine whether the Product should be returned to SolarEdge and, if SolarEdge so determined, the Return Merchandise Authorization ("RMA") Procedure (set out below) will be invoked. Where the RMA Procedure is invoked by SolarEdge, SolarEdge will instruct buyer how to package and ship the SolarEdge Home Battery or part(s) at Buyer's expense to the designated location. SolarEdge will, at its expense and sole discretion, either repair or replace the SolarEdge Home Battery or part(s). SolarEdge will deliver the repaired or replaced SolarEdge Home Battery or part(s) to buyer at buyer's designated location in countries where SolarEdge has an office and/or there is a significant PV market. For the specific list of countries to which such service is provided, please access https://www.solaredge.com/shipping_cost_coverage_warranty.

SolarEdge will bear the cost of such shipment, including shipping and customs (where applicable) and buyer shall bear any applicable value added tax.
